

The Harford County Health Department Dental clinic opened its doors on March 31, 2008 and is the first public health dental clinic in Harford County. The dental clinic is committed to providing quality dental care to children and pregnant women on the Medical Assistance program. The clinic would like to stress the importance of good personal oral health care as a significant part of an overall health care program.

## Goal

The Harford County Health Department Dental Clinic strives to improve the oral health of children and pregnant women on the Medical Assistance Program who may not have previously had access to dental care.

### Services Provided

The Harford County Health Department Dental Clinic provides the following comprehensive dental services:

#### **Hygiene Services:**

- X-Rays
- Cleanings
- Sealants
- Fluoride
- Home oral health care instructions
- Nutrition education

#### **Dental services:**

- Restorations (fillings)
- Extractions
- Root Canals
- Crowns
- Space maintainers for missing primary (baby) teeth
- Referrals for specialty care when deemed necessary

The Harford County Health Department Dental Clinic is also committed to treating same-day dental emergencies involving infection and trauma.

## Population Served

The Harford County Health Department Dental Clinic serves children ages 1–20 (and up to age 21 for the special needs population), who are enrolled in the Maryland Children's Health Program. The clinic also serves pregnant women enrolled in the Medical Assistance program. The dental clinic enables children and pregnant women to obtain proper dental care.

### Benefits of Oral Health Care

The benefits of having the Harford County Health Department Dental Clinic include improvement in children's oral and general health leading to better self-esteem and the prevention of chronic health problems. Consistent and on-going dental care provides for a better quality of life.

## Staff

The Harford County Health Department Dental Clinic has a dedicated staff of professional dentists, hygienists, dental assistants, and a front desk secretary.

*The Harford County Health Department Dental Clinic has established successful partnerships with the Harford County Dental Hygiene & Dental Societies, Harford County Government, Harford County Public Schools, local dentists, and many other community service agencies.*

## Location

The Harford County Health Department Dental Clinic is conveniently located in the Edgewood Plaza Shopping Center in Edgewood across from the Edgewood Public Library. The shopping center is a designated intra-county bus stop along the well traveled Route 40 corridor that extends from Havre de Grace to Edgewood.
